About this form

If you have downloaded this form from our website, you can use it to ask for the following:

- ☐ Portable document U1 - a statement of National Insurance contributions (NICs) to assist any unemployment related benefit claims. *Please note - Self-employed contributions cannot be used to claim unemployment benefit.*
- ☐ Form E301 - A statement of National Insurance contributions (NICs) to assist any unemployment related benefit claims. If you are not an European Economic Area (EEA) national. *Please note - Self-employed contributions cannot be used to claim unemployment benefit.*
- ☐ A full statement of National Insurance contributions for your reference only.

Please note - If you need a statement of National Insurance contributions to assist any sickness related benefit claim in an EEA member state, please contact the foreign institution where you have made your claim. You should tell them to contact us to ask for form SED S041. To do this, they should complete form SED S040 and send it to us at the address shown above.

Please tick the appropriate box, fill in this form and send it to us at the address shown above. Please note, we cannot issue these documents unless you:

- are living in an EEA country
- are leaving the UK within the next two weeks, or
- have a final UK payslip.

Please note - If you are a non-EEA national your UK insurance record will not assist a claim to benefits in Denmark.

If we have sent you this form it is because we have been asked to send details of your National Insurance contributions to help with your recent benefit claim in another EEA member state.
